ACKNOWLEDGEMENTS

The editors would like to thank Diana Hacca for her hard work in preparing text and graphics for this volume of the proceedings. We would like to give Dorothy Leising our special thanks for her invaluable help with translations, adaptability and numerous excellent suggestions during the three years we have been editing and publishing the proceedings.
# TABLE OF CONTENTS

## SESSION 1: PRESENTATIONS FOR THE WORKING GROUP OF MARINE SCIENCE LIBRARIES IN GERMANY.

The Working Group of Marine Science Libraries in Germany  
*Inka Renckhoff*  
1

The Library of the Biologische Anstalt Helgoland, Hamburg  
*Inka Renckhoff*  
3

The Library of the Bundesamt Fur Seeschiffahrt und Hydrographie, Hamburg  
*Marion Heinrich and Antje Luck*  
5

The Library of the Bundesforschunganstalt Fur Fisherei  
*Anita Ritter*
