Hunting Permit Rules and

Regulations

- The Permittee is allowed to hunt from a floating blind within 500 yards of CBNERRVA stationary **blinds numbers 1 through 7 and 9.**
- Only one floating blind is allowed within 500 yards of a CBNERRVA permitted blind. Floating blinds do not need to be located immediately adjacent to CBNERRVA blind; however, they should be in the general vicinity and not interfere with hunters in adjacent blind areas.
- Boat registration numbers must be clearly visible to allow law enforcement officers to view numbers at a reasonable distance so as to minimize disturbance of permitted hunting.
- Hunting within 500 yards of CBNERRVA permitted blinds is only allowed on Thursdays, Fridays and Saturdays. **NO HUNTING Sunday through Wednesday.**
- This permit covers the Permittee and up to two guests hunting within the same floating blind.
- CBNERRVA retains the right to stop hunting activities within 500 yards of any CBNERR licensed blinds if hunting activities are deemed to interfere with ongoing research, monitoring, restoration and/or education activities. You will be contacted (using contact information above) if this situation should arise.
- This permit only pertains to these general waterfowl hunting season dates **November 15-26, 2017 and December 16, 2017 - January 28, 2018.** No other waterfowl hunting seasons are permitted on CBNERRVA managed property.
- A copy of this permit must be made available upon request by Law Enforcement Personnel and representatives of CBNERRVA.

I, the undersigned, have read, understand, and agree to abide by the above hunting permit rules and restrictions.
