PREFACE	vii
Living Shoreline Summit Steering Committee.	xi
INTRODUCTION	1
Keynote: The National Academies Report on Mitigating Shore Erosion Along Sheltered Coasts	3
<i>Susan Roberts</i>	
LIVING SHORELINE DESIGN	7
Integrating Habitat and Shoreline Dynamics into Living Shoreline Applications	9
<i>Kevin M. Smith</i>	
Overview of Living Shoreline Design Options	13
<i>Karen A. Duhring</i>	
Recommending Appropriate Shoreline Stabilization Methods for Different Estuarine Shoreline Types in North Carolina.	19
<i>Bonnie Bendell</i>	
Design Criteria for Tidal Wetlands	25
<i>Walter I. Priest, III</i>	
EVALUATION OF LIVING SHORELINE TECHNIQUES	33
Current Understanding of the Effectiveness of Nonstructural and Marsh Sill Approaches	35
<i>Bhaskaran Subramanian, Eugene Slear, Kevin M. Smith, and Karen A. Duhring</i>	
A Comparison of Structural and Nonstructural Methods For Erosion Control and Providing Habitat in Virginia Salt Marshes	41
<i>Karen A. Duhring</i>	
Living Shorelines Projects in Maryland in the Past 20 Years	49
<i>Bhaskaran Subramanian, Johann Martinez, Audra E. Luscher, and David Wilson</i>	
Evaluating Ecological Impacts of Living Shorelines and Shoreline Habitat Elements: An Example from the Upper Western Chesapeake Bay	55
<i>Jana L. D. Davis, Richard L. Takacs, and Robert Schnabel</i>	
Landscape-Level Impacts of Shoreline Development on Chesapeake Bay Benthos and Their Predators	63
<i>Rochelle D. Seitz and Amanda S. Lawless</i>	
SHORELINE POLICY: REGULATORY OVERVIEW	71
Regulatory Process for Living Shoreline Implementation in Maryland	73
<i>Audra E. Luscher, Jana L. D. Davis, Doldon Moore, and Amy Moredock</i>	

Regulatory Program Overview for Virginia’s Submerged Lands and
Tidal Wetlands and Options for Promoting Living Shorelines.81
Tony Watkinson and Shep Moon

TOOLS AND DECISION-MAKING: FACILITATING AND
ENCOURAGING LIVING SHORELINE IMPLEMENTATION87

NOAA’s Shoreline Management Technical Assistance Toolbox89
Allison C. Castellan and Kris L. Wall

Maryland Shorelines Online: A Web Portal and Geospatial Tool
for Shoreline Planning and Management in Maryland93
Audra E. Luscher

Living Shorelines: A Strategic Approach to Making it Work on the Ground in Virginia99
William A. Stiles, Jr.

Willingness to Pay for Risk Reduction and Amenities:
Applications of the Hedonic Price Method in the Coastal Zone105
Craig Landry and Paul Hindsley

Incentives to Promote Living Shoreline Techniques in the Chesapeake Bay111
Jana L. D. Davis and Audra E. Luscher

Living Shoreline Case Studies117
Drew Koslow, Katie Register, Bobbie Burton, Walter I. Priest III, and Audra E. Luscher

CONCLUSIONS AND NEXT STEPS123

Living Shorelines in the Chesapeake Bay: Needs and Recommendations for Future Activities . . .125
