

# The Giving Garden Foundation

*cultivating advocacy for cancer patients*

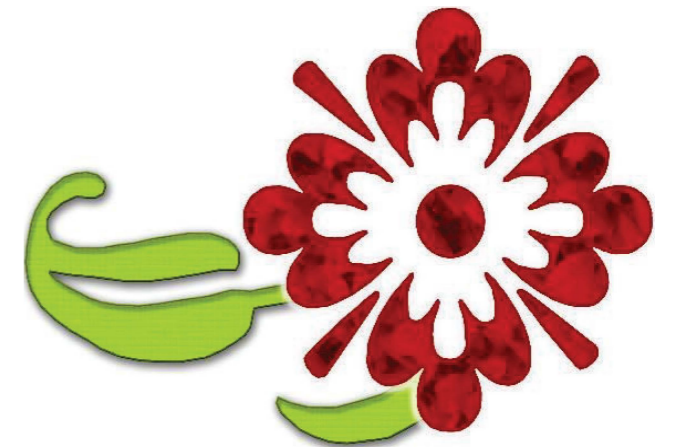

Recycle With Us! Together we CAN advocate, our aluminum can recycling program launched in late 2008. Through the support of local businesses and countless citizens, we now average \$550 per month in revenue from recycling and we continue to grow! Get your office involved or recycle at home and then drop your cans off at one of our 5 Can Cottages: Abingdon Ruritan Club, Franktronics, Gloucester Moose Lodge, Main Street Shopping Center, and Mathews High School!

For more information about TGGF  
please visit our website at  
[www.thegivinggarden.org](http://www.thegivinggarden.org)!

TGGF is a 501C3 non-profit providing  
financial assistance to cancer patients  
living in Gloucester and Mathews,  
Virginia.

\*For any issues or questions, contact Trey Fary  
(757)869-3134 or Tim Turner (757)870-9286.  
We check containers weekly !
