

\*VIMS Workers’ Compensation Representative – [Libby MacDonald](#) 229 Watermen’s Hall 804-684-7201

\*\*All claims are reviewed upon submission. An MCI Claims Administrator generally calls the injured employee for a recorded statement regarding how the injury occurred. If the claim is accepted as compensable, medical bills from Panel Physicians will be forwarded to MCI for review. **If the claim is not accepted as compensable, all bills become the responsibility of the injured employee.** In the case of denial, the employee can request a hearing before the Workers’ Compensation Commission.
